My Visit to Venus By T. Lobsang Rampa

T. LOBSANG RAMPA'S TRIPS TO OTHER WORLDS...WERE THEY TAKEN ON THE PHYSICAL PLANE OR WAS IT ACCOMPLISHED BY ASTRAL TRAVEL?

Is there life on other planets? Are UFOs piloted by advanced beings who are interested in our spiritual evolution? Is mankind the result of extraterrestrial intervention and manipulation of our ancient proto-human ancestors? T. Lobsang Rampa, author of the international bestseller *The Third Eye*, reveals his encounter with beings who are not from this world!

This material is of such a controversial nature that it was kept out of his previously published work because his publishers thought it would compromise his more acceptable work. In this important publication (with Introduction by John Keel and a Foreword by Gray Barker), Rampa discusses his meetings with the Masters from other worlds who take Rampa on board their craft where he was able to visit several planets. Rare but a necessary addition to any Rampa library.
