The Daring Book for Girls By Andrea J. Buchanan, Miriam Peskowitz

The Daring Book for Girls is the manual for everything that girls need to know—and that doesn't mean sewing buttonholes! Whether it's female heroes in history, secret note-passing skills, science projects, friendship bracelets, double dutch, cats cradle, the perfect cartwheel or the eternal mystery of what boys are thinking, this book has it all. But it's not just a guide to giggling at sleepovers—although that's included, of course! Whether readers consider themselves tomboys, girly-girls, or a little bit of both, this book is every girl's invitation to adventure.

Editorial Review

From Publishers Weekly

Kadushin, whose lush voice brought the heroine of Stephenie Meyers's *Twilight* series to life, does her best to inject some intrigue and mystery into this mile-wide, inch-deep compendium of random facts billed as a manual for everything that girls need to know, a selection from the bestselling book. Alas, the audio version, replete with time lines, 14 variations of how to play tag and sesquipedalian vocabulary words, sorely lacks dynamism. The brief histories of famous women—Joan of Arc, Marie Curie, Salome—make for more engaging listening than material about how to change a tire or administer first aid. Listeners might find themselves wishing for something akin to the screen selection feature on a DVD, so that if they need information on, say, what constitutes a foul in tetherball, they could get to it without having to wade through the section on women who have earned patents for various inventions. Without such an index, the listener is reduced to writing down the information Kadushin relays, which raises the question: isn't this available in book form?

About the Author

Andrea Buchanan is the mother of a daughter and a son, both of whom are equally daring. Before she was a writer, she was a pianist who once performed a solo concert at Carnegie Hall's Weill Recital Hall. This is her fifth book.

Miriam Peskowitz is the mother of two girls, including an eight-year-old who climbs trees and leads spy missions in the backyard. She has been a camp counselor, an historian, a blogger, a musician, a professor, and is the author of several books, including *The Truth Behind the Mommy Wars*.

This delightful potpourri for ³Etween² girls offers a variety of topics. There are lessons on games of tag, hopscotch, slumber parties, making stink bombs, performing CPR, and changing a tire. Lively role models abound. In particular, the authors cite Jo March from LITTLE WOMEN, who said she could never be friends with a girl who didn't climb trees or jump fences. Other influential women who are discussed include Joan of Arc, Salome, Cleopatra, Amelia Earhart, Abigail Adams, Florence Nightingale, as well as Civil War and Revolutionary spies. Ilyana Kadushin shows her versatility with a lively delivery that is frequently characterized by a ³big sister² tone.
