Wrath (New Species Book 6) By Laurann Dohner

Book 6 in the New Species series. While each New Species book is a standalone, the greatest enjoyment will come from reading them in series order.

Wrath volunteers to live and work outside Homeland where he'll once again be confined in a small space with other males. He was subjected to horrific abuse and conditioning and forced to view endless sex tapes of human females while chained to Mercile's perverted machines. Wrath knows he's too dangerous and emotionally damaged to ever be with a female.

Lauren has just been detained by three big, buff, well-armed men—New Species. One of them really catches her eye. He is tall, sexy, and...her new roommate apparently. She has never met a man this truly spectacular and she decides to taste every inch of his amazing body. Wrath wants to explore that plan too. The sex is incredible and he gives her everything she needs but he'll only go so far. Something is holding him back.

Lauren has to make him unleash his desire and Wrath has to get past his fear to give them a chance at a future together.

Reader Advisory: This story has graphic sexual language and scenes - no closed bedroom doors (or other rooms) here!

Editorial Review

Users Review

From reader reviews:

Michael Milliner:

What do you consider book? It is just for students because they're still students or that for all people in the world, exactly what the best subject for that? Just you can be answered for that concern above. Every person has distinct personality and hobby for every other. Don't to be compelled someone or something that they don't want do that. You must know how great in addition to important the book Wrath (New Species Book 6). All type of book could you see on many solutions. You can look for the internet resources or other social media.

Maria Carlin:

Information is provisions for individuals to get better life, information these days can get by anyone with everywhere. The information can be a information or any news even restricted. What people must be consider when those information which is in the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you find the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Wrath (New Species Book 6) as your daily resource information.

Wendell Radford:
