Hidden Champions in CEE and Turkey: Carving Out a Global Niche From Springer

This book presents hidden champions in Central and Eastern Europe (CEE) and Turkey that have been studied as a joint project between CEEMAN and IEDC-Bled School of Management, Slovenia. This is an outcome of extensive research undertaken by over 30 researchers and covers 15 countries from Russia to Albania; covering many contexts, political systems, cultures and infrastructures. The reader is provided with a detailed introduction to the concept of hidden champions and describes the cases studied in this project. This book is an invaluable resource providing a culmination of interdisciplinary, cross-study chapters ranging from leadership to performance drivers; from organization to culture and governance; from innovativeness to sustainability and further to the financial aspects of hidden champions business models. These meta level chapters are followed by 15 country-specific chapters which provide an overview of each country's history, economic indicators and vignettes of the cases involved in this study. ?
