## Editorial Review

### Amazon.com Review

Nancy Drew with a cell phone? George an avid Web surfer? Yes, folks, the girl detective has arrived in the 21st century, just in time for a whole new crop of tween readers. In *A Race Against Time*, Nancy takes on a particularly mean-spirited crime: in the middle of a River Heights bike race for charity, thieves steal tens of thousands of dollars of pledge money. Torn between her desire to finish her leg of the relay and her commitment to solving crimes, our heroine decides she'll do the most good on the case. And off she goes--on bike--to investigate leads all up and down the river. Whether she's trapped in the middle of the night in a shack full of snakes, searching for her missing boyfriend (Ned Nickerson, of course!), or trying to pry information out of the crusty police chief (again), the new and improved Nancy Drew never spins her wheels.

This contemporary series expands on the classic Nancy Drew books by Carolyn Keene, adding new dimensions to the poised teen investigator while retaining her honorable nature and sharp mind--as well as all her old buddies: tomboy George, girly-girl Bess, and sweet Ned. Don't miss number one in the sequence, *Without a Trace*. (Ages 8 to 12) --*Emilie Coulter*

### From [Booklist](#)

Gr. 4-7. Nancy Drew gets an update--sort of. True, she's now using computers instead of driving a roadster, and the text is now written in the first person, but neither the writing nor the plotting screams twenty-first century. In *Trace*, there are two mysteries. The first--Who is stealing or bashing the neighborhood's zucchini crop?--will hardly have kids on the edge of their seats. The second, about a stolen Faberge egg, has slightly more bang for its buck because several teenage boys from France come with it, but it still has lines like "I thought American detectives were old gruff men, like Humphrey Bogart." Bogie isn't exactly a middle-grade icon. In *Race*, Nancy, the captain of the Biking for Bucks charity road race, has to find the stolen bucks. Kids love mysteries, and there is a shortage of them, so these offerings, for slightly younger kids than the last Nancy series, will find fans, but as with so many series titles, the writing here is stilted and the characters generic. Try Wendelin Van Draanen's Sammy Keyes books for mysteries with more substance as well as better style. *Ilene Cooper*

Carolyn Keene is the author of the ever-popular Nancy Drew books.

## Users Review

### From reader reviews:

#### **Sheri Furlong:**

Reading a publication can be one of a lot of task that everyone in the world enjoys. Do you like reading book therefore. There are a lot of reasons why people fantastic. First reading a e-book will give you a lot of new data. When you read a book you will get new information due to the fact book is one of many ways to share the information or maybe their idea. Second, examining a book will make an individual more imaginative. When you looking at a book especially fictional works book the author will bring that you imagine the story how the personas do it anything. Third, you can share your knowledge to other folks. When you read this Nancy Drew #66 "Race Against Time", you are able to tells your family, friends and also soon about yours

publication. Your knowledge can inspire others, make them reading a guide.

**Dan Morris:**

Your reading 6th sense will not betray you, why because this Nancy Drew #66 "Race Against Time" book written by well-known writer who really knows well how to make book that could be understand by anyone who have read the book. Written with good manner for you, still dripping wet every ideas and producing skill only for eliminate your own hunger then you still hesitation Nancy Drew #66 "Race Against Time" as good book not simply by the cover but also from the content. This is one publication that can break don't evaluate book by its handle, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your reading sixth sense already told you so why you have to listening to an additional sixth sense.

**Chester Hassel:**

This Nancy Drew #66 "Race Against Time" is great publication for you because the content that is certainly full of information for you who else always deal with world and also have to make decision every minute. That book reveal it details accurately using great organize word or we can state no rambling sentences inside it. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but hard core information with attractive delivering sentences. Having Nancy Drew #66 "Race Against Time" in your hand like finding the world in your arm, facts in it is not ridiculous 1. We can say that no guide that offer you world inside ten or fifteen minute right but this e-book already do that. So , this can be good reading book. Hi Mr. and Mrs. hectic do you still doubt that?

**Alberto Alvarez:**

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Nancy Drew #66 "Race Against Time" can make you feel more interested to read.
