### The Republic (Penguin Classics) By Plato

**Plato's *The Republic* is widely acknowledged as the cornerstone of Western philosophy.**

Presented in the form of a dialogue between Socrates and three different interlocutors, it is an inquiry into the notion of a perfect community and the ideal individual within it. During the conversation other questions are raised: what is goodness; what is reality; what is knowledge? *The Republic* also addresses the purpose of education and the role of both women and men as "guardians" of the people. With remarkable lucidity and deft use of allegory, Plato arrives at a depiction of a state bound by harmony and ruled by "philosopher kings."

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

### Editorial Review

#### Review

"[Griffith's] aim was to translate the Greek text as if it were a conversation, and he has succeeded admirably."  
Library Journal

"In addition to a vivid, dignified and accurate rendition of Plato's text, the student and general reader will find many aids to comprehension in this volume: an introduction that assesses the cultural background to the Republic, its place within political philosophy, and its general argument; succinct notes in the body of the text; an analytical summary of the work's content; a full glossary of proper names; a chronology of important events; and a guide to further reading. The result is an accomplished and accessible edition of this seminal work, suitable for philosophers and classicists as well as historians of political thought at all levels." African Sun Times Review of Books

#### Language Notes

Text: English (translation)

Original Language: Greek

#### From the Back Cover

This version aims at conveying to the English reader as much as possible of the thought of the Republic in the most convenient and least misleading form. The sole purpose is to bring out what Plato meant, not to attack or defend his opinions.

### Users Review

#### From reader reviews:

##### Archie Williams:
