Editorial Review

About the Author

Ralph Waldo Trine was a philosopher, mystic, teacher and author of many books, and was one of the early mentors of the New Thought Movement. His writings had a great influence on many of his contemporaries including Ernest Holmes, founder of Religious Science. He was a true pioneer in the area of life-transforming thought. No other New Thought author has sold more books than he, his writings reaching far beyond New Thought circles out to the general public, which has bought and read Trine's books without ever knowing that they were New Thought.
