### Adam Copeland on Edge (WWE) By Adam Copeland

Not since Mick Foley with *Foley is Good* has a wrestler written his own story and like Foley, Edge captures the raw intensity of the world of professional wrestling, a world you can only truly know -- and write about -- if you have experienced it in the ring. It was while sidelined with a neck injury that Edge began to write a weekly column for [wwe.com](http://wwe.com) giving fans an insight into the life of one of their favourite performers. It was the fan response to this column that led WWE Books to ask him to write his autobiography. He is currently putting the finishing touches to the book and will bring to the page all the energy and ferocity that mark him out in the ring, together with the honesty and humour that have been enticing fans to read his online column week after week.
