Come Closer By Sara Gran

From the author of *Saturn's Return to New York* comes this dark psychological thriller.

"'What we think is impos-sible happens all the time.' So claims the beguiling narrator of *Come Closer*, and after reading this spare and menacing tale, the reader has to agree. Sara Gran has created a sly, satisfying (fast!) novel of one young woman possessed not only by a demon but also by her own secret desires."—Stewart O’Nan

From the Hardcover edition.

Editorial Review

From [Booklist](#)

Strange noises that come and go; objects that inexplicably appear, then vanish. Such bump-in-the-night shenanigans are horror-story standard fare, but in Gran's gifted hands, these stereotypes fade away like ghosts. In this sparsely constructed and compellingly succinct gem of a novel, Gran's heroine leads a normal life until things suddenly and mystifyingly go wrong. Amanda does hear noises and experience bizarre situations, yet as a vague but tantalizing feeling of unease settles in, Amanda's fear feeds her needs and desires. Gran's premise, that we accept the impossible, for to do otherwise is to foolishly court disaster, informs the subtle tension beneath this deliciously wicked tale. A short book, it is nonetheless long on style, thanks to Gran's talent for quickly and convincingly portraying Amanda's reluctant terror, abject denial, and, finally, resigned acceptance of the malevolent force commandeering her life. Seductively menacing, alluringly sinister, Gran's ominous study of psychological and spiritual suspense heralds a refreshingly sophisticated and literate approach to an often-predictable genre. *Carol Haggas*

Review

A new kind of psychological thriller. -- *George Pelecanos*

Hypnotic, disturbing...Genuinely scary. -- *Bret Easton Ellis*

This year's scariest novel. -- *Time Out New York*

About the Author

Sara Gran is also the author of *Saturn's Return to New York* and the upcoming *Dope*. A native of Brooklyn, New York, and a former bookseller, Ms. Gran now divides her time between New York and New Orleans.

Users Review

From reader reviews:

Ruby Mejia:

This Come Closer book is simply not ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book is usually information inside this guide incredible fresh, you will get info which is getting deeper a person read a lot of information you will get. This kind of Come Closer without we comprehend teach the one who examining it become critical in considering and analyzing. Don't end up being worry Come Closer can bring once you are and not make your case space or bookshelves' come to be full because you can have it inside your lovely laptop even cell phone. This Come Closer having great arrangement in word in addition to layout, so you will not really feel uninterested in reading.

Daniel Bailey:

Why? Because this Come Closer is an unordinary book that the inside of the book waiting for you to snap this but latter it will jolt you with the secret it inside. Reading this book beside it was fantastic author who write the book in such remarkable way makes the content on the inside easier to understand, entertaining

means but still convey the meaning completely. So , it is good for you because of not hesitating having this anymore or you going to regret it. This unique book will give you a lot of rewards than the other book have such as help improving your proficiency and your critical thinking approach. So , still want to hesitate having that book? If I have been you I will go to the e-book store hurriedly.

David Cormier:

Can you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you never know the inside because don't determine book by its deal with may doesn't work is difficult job because you are frightened that the inside maybe not seeing that fantastic as in the outside appearance likes. Maybe you answer might be Come Closer why because the amazing cover that make you consider regarding the content will not disappoint you. The inside or content is fantastic as the outside or cover. Your reading 6th sense will directly show you to pick up this book.

John Smith:

A lot of publication has printed but it takes a different approach. You can get it by internet on social media. You can choose the most effective book for you, science, witty, novel, or whatever simply by searching from it. It is referred to as of book Come Closer. You'll be able to your knowledge by it. Without departing the printed book, it could possibly add your knowledge and make you happier to read. It is most significant that, you must aware about publication. It can bring you from one location to other place.
