Doing The Impossible: The 25 Laws for Doing The Impossible By Patrick Bet-David

What does Doing the Impossible really mean? This book is for those who have a desire to achieve greatness and are ready to take the steps to turn that desire into a reality. At one point or another in this book, you will experience several different reactions - excitement, curiosity, joy, laughter, or even tears - but the ultimate goal is to encourage and challenge you to make a decision to do the impossible. That may have a totally different meaning to you than it did to Steve Jobs, Thomas Edison, or any of the other role models we will look at; but whatever Doing the Impossible means to you, the goal of this book is to help you realize that you have the capacity to do what the critics think is impossible. - Patrick Bet-David, Introduction to Doing the Impossible. Doing the Impossible is a roadmap for those who want to do something big with their lives. The book goes over 25 steps that the reader should take to re-create themselves, identify their cause, and make history. Patrick Bet-David shares his own impossible crusade and gives key principles for anyone looking to do the same.

Editorial Review

About the Author

Patrick Bet-David has been called a renaissance man because of his interesting philosophies on politics, sports, history, humor, and life. He has spoken in front of tens of thousands of people over the past thirteen years on these topics and more. Patrick Bet-David was born and raised in revolutionary Iran. He immigrated to the United States with his family at the age of twelve in 1990. Bet-David joined the U.S. Army in 1997, where he was stationed with the 101st Airborne Division. After he was discharged from the army, Bet-David got involved in the financial services industry. In October of 2009 Bet-David launched People Helping People Insurance Agency (also known as PHP) with a unique vision to restore America by bringing back the free enterprise system to American families. PHP now has agents in thirty-three states where they market life insurance, annuities, and other financial instruments to families.
