Ghosts By Raina Telgemeier

Catrina and her family are moving to the coast of Northern California because her little sister, Maya, is sick. Cat isn't happy about leaving her friends for Bahía de la Luna, but Maya has cystic fibrosis and will benefit from the cool, salty air that blows in from the sea. As the girls explore their new home, a neighbor lets them in on a secret: There are ghosts in Bahía de la Luna. Maya is determined to meet one, but Cat wants nothing to do with them. As the time of year when ghosts reunite with their loved ones approaches, Cat must figure out how to put aside her fears for her sister's sake -- and her own.

Raina Telgemeier has masterfully created a moving and insightful story about the power of family and friendship, and how it gives us the courage to do what we never thought possible.

Editorial Review

From School Library Journal

Gr 4–8—Catrina and her family have just moved to Northern California. Bahía de la Luna is different from Cat's hometown—for one thing, everyone is obsessed with ghosts—but the sea air makes it easier for Cat's younger sister, Maya, who has cystic fibrosis (CF), to breathe. Carlos, a new friend and neighbor, introduces the girls to a different perspective on the spiritual world. Ghosts, he says, aren't frightening; they're the spirits of loved ones. Cat has her doubts—especially after a ghostly encounter puts Maya in the hospital—but as Day of the Dead celebrations draw closer, she starts to reconsider. Readers will relate to these realistically flawed characters. Maya is frank about her illness and optimistic despite her awareness that her prognosis is poor, while Cat struggles, feeling intensely protective of her sister, anxious about her illness, and resentful about the limitations that Maya's condition places upon the whole family. Themes such as the sibling bond, death, and culture are expertly woven throughout. As Cat comes to terms with the existence of ghosts, she also navigates her background (her father is white, while her mother is Mexican). Telgemeier employs the cheerful cartoon artwork that fans of *Smile*, *Drama*, and *Sisters* know and love, but her palette is more muted in places, fitting the book's somewhat serious and somber themes. VERDICT A can't-miss addition to middle grade graphic novel shelves; hand to fans of the author and newcomers alike.—Mahnaz Dar, School Library Journal

Review

* "Telgemeier has her finger on the pulse of middle-grade readers, and this might be **her best yet.**" -- *Booklist*, starred review

* "Telgemeier's bold colors, superior visual storytelling, and unusual subject matter will keep readers emotionally engaged and unable to put down this **compelling** tale." -- *Kirkus Reviews*, starred review

* "**A can't-miss addition to middle grade graphic novel shelves;** hand to fans of the author and newcomers alike." -- *School Library Journal*, starred review

* "The story is consistently engaging, the plot is tightly built." -- *Publishers Weekly*, starred review

"[A] gem of a graphic novel" -- *Bulletin of the Center for Children's Books*

"Raina Telgemeier's characters fizz with visual energy." -- *The New York Times Book Review*

From reader reviews:

Linda Hupp:

The reserve with title Ghosts possesses a lot of information that you can learn it. You can get a lot of gain after read this book. This particular book exist new understanding the information that exist in this publication represented the condition of the world today. That is important to yo7u to learn how the improvement of the world. This specific book will bring you inside new era of the the positive effect. You can read the e-book on your smart phone, so you can read that anywhere you want.

Mae Marks:

The reason why? Because this Ghosts is an unordinary book that the inside of the publication waiting for you to snap this but latter it will distress you with the secret the idea inside. Reading this book next to it was fantastic author who all write the book in such remarkable way makes the content inside of easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of gains than the other book get such as help improving your expertise and your critical thinking method. So , still want to hesitate having that book? If I ended up you I will go to the book store hurriedly.

Jennifer Witherspoon:

Do you really one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Try and pick one book that you never know the inside because don't evaluate book by its handle may doesn't work is difficult job because you are scared that the inside maybe not because fantastic as in the outside appear likes. Maybe you answer can be Ghosts why because the excellent cover that make you consider with regards to the content will not disappoint an individual. The inside or content is fantastic as the outside as well as cover. Your reading sixth sense will directly direct you to pick up this book.

Marianne Stromain:

That e-book can make you to feel relax. This kind of book Ghosts was bright colored and of course has pictures on the website. As we know that book Ghosts has many kinds or category. Start from kids until teens. For example Naruto or Investigation company Conan you can read and feel that you are the character on there. So , not at all of book usually are make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book to suit your needs and try to like reading that will.
