### Identity Theft Handbook: Detection, Prevention, and Security By Martin T. Biegelman

Not a week goes by when identity theft isn't mentioned in the media or that a Congressional outcry isn't heard about this unrelenting crime. The first authoritative book on identity theft, *Identity Theft Handbook* is written by a career professional who has spent over 25 years investigating and preventing identity theft in both the public and private sectors. Its rich real-world content includes interviews with government and private sector thought leaders. As well, the costs of identity theft, future trends, and prevention guidance is discussed. For investigators, auditors, and managers.
