Liberation Sociology By Joe R. Feagin, Hernan Vera, Kimberly Ducey

Many people of all ages today continue to be attracted to sociology and other social sciences because of their promise to contribute to better political, social, and moral understandings of themselves and their social worlds-and often because they hope it will help them to build a better society. In a world of new movements and deepening economic inequality following the Great Recession, this new edition is vital. It features dozens of new examples from the latest research, with an emphasis on the next generation of liberation sociologists. The authors expand on the previous edition with the inclusion of sections on decolonisation paradigms in criminology, critical speciesism, and studies of environmental racism and environmental privilege. There is an expanded focus on participatory action research, and increased coverage of international liberation social scientists. Work by psychologists, anthropologists, theologians, historians, and others who have developed a liberation orientation for their disciplines is also updated and expanded.

Editorial Review

Review

“I came away from Liberation Sociology with a sense of renewed hope for the field. . . . Until Liberation Sociology, I found few well-written, cogently presented, and well-researched arguments suitable for the next generation of sociologists. This volume addresses this lack. For every undergraduate student considering entering sociology, for every graduate student wondering about his or her choice, as well as for current sociologists who wonder whether they have lost their way, Liberation Sociology might prove to be a breath of fresh air.”

?Patricia Hill Collins in the American Journal of Sociology

“I’ve successfully used the first edition in theory classes, and this new edition is even better! Liberation Sociology is to sociology what Howard Zinn’s People’s History is to U.S. history: an exciting and important revision of ‘received history’ that will enliven class discussions and validate the noblest motivations for studying sociology. Very highly recommended.”

?Barbara Finlay, Texas A&M University

“Liberation Sociology is must reading.”

?Gideon Sjoberg, University of Texas–Austin

“In this unique book, Joe R. Feagin and Hernán Vera show that sociology can make a vital contribution to human freedom and well-being. Drawing on many practical contributions of sociological researchers and activists, they offer an inspiring vision of the field and its possibilities. This crucial text will be adopted in courses everywhere.”

?Howard Winant, Temple University

“Truly a magnificent, original, exciting, and powerful consciousness-raising book!”

?Bernice McNair Barnett, University of Illinois–Urbana-Champaign

About the Author

Joe R. Feagin, currently Ella C. McFadden Professor at Texas A&M University, graduated from Baylor University in 1960 and acquired his Ph.D. in sociology at Harvard University in 1966. Feagin has taught at the University of Massachusetts (Boston), University of California (Riverside), University of Texas, University of Florida, and Texas A&M University. Feagin has done much research work on racism and sexism issues and has served as the scholar in residence at the U.S. Commission on Civil Rights. He has written 53 books, one of which (*Ghetto Revolts*) was nominated for a Pulitzer Prize. He is the 2006 recipient of a Harvard Alumni Association achievement award and was the 1999 2000 president of the American Sociological Association. He is also the 2013 recipient of the Arthur Fletcher Lifetime Achievement Award by the American Association for Affirmative Action.

Hernán Vera is Professor Emeritus at the University of Florida Gainesville and a leading scholar in U.S. racial and ethnic relations. His books include *Screen Saviors: Hollywood Fictions of Whiteness*.

Kimberley Ducey is an Assistant Professor in Sociology at the University of Winnipeg, Manitoba, Canada. She is a recipient of Québec’s Forces AVENIR Award for her efforts in promoting liberation sociology. She has published articles on liberation sociology, genocide, and pedagogical strategies.

Users Review

From reader reviews:

Johnny Powers:

Do you have favorite book? For those who have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each e-book has different aim as well as goal; it means that book has different type. Some people truly feel enjoy to spend their time for you to read a book. They may be reading whatever they get because their hobby is usually reading a book. How about the person who don't like looking at a book? Sometime, person feel need book when they found difficult problem or maybe exercise. Well, probably you should have this Liberation Sociology.

Thelma Brady:

This Liberation Sociology are generally reliable for you who want to be described as a successful person, why. The main reason of this Liberation Sociology can be on the list of great books you must have will be giving you more than just simple looking at food but feed anyone with information that maybe will shock your previous knowledge. This book will be handy, you can bring it everywhere and whenever your conditions in the e-book and printed ones. Beside that this Liberation Sociology giving you an enormous of experience for instance rich vocabulary, giving you trial run of critical thinking that we understand it useful in your day action. So , let's have it and enjoy reading.

Teresa Brown:

In this period globalization it is important to someone to receive information. The information will make a professional understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher in which print many kinds of book. The actual book that recommended to your account is Liberation Sociology this guide consist a lot of the information on the condition of this world now. This particular book was represented how can the world has grown up. The words styles that writer use for explain it is easy to understand. Typically the writer made some analysis when he makes this book. That is why this book suited all of you.

Barbra Poole:

As we know that book is important thing to add our knowledge for everything. By a publication we can know everything we wish. A book is a set of written, printed, illustrated or blank sheet. Every year has been exactly added. This book Liberation Sociology was filled with regards to science. Spend your time to add your knowledge about your research competence. Some people has different feel when they reading some sort of book. If you know how big benefit from a book, you can sense enjoy to read a reserve. In the modern era like at this point, many ways to get book that you just wanted.
