Meaning in Interaction: An Introduction to Pragmatics (Learning about Language) By Jenny A. Thomas

Meaning in Interaction: An Introduction to Pragmatics is a comprehensive introductory text which discusses the development of pragmatics - its aims and methodology - and also introduces themes that are not generally covered in other texts.

Jenny Thomas focuses on the dynamic nature of speaker meaning, considering the central roles of both speaker and hearer, and takes into account the social and psychological factors involved in the generation and interpretation of utterances. The book includes a detailed examination of the development of Pragmatics as a discipline, drawing attention to problems encountered in earlier work, and brings the reader up to date with recent discussion in the field. The book is written principally for students with no previous knowledge of pragmatics, and the basic concepts are covered in considerable detail. Theoretical and more complicated information is highlighted with examples that have been drawn from the media, fiction and real-life interaction, and makes the study more accessible to newcomers. It is an ideal introductory textbook for students of linguistics and for all who are interested in analysing problems in communication.

Editorial Review

Review

"An understanding of pragmatics is essential in order to make learners effective as well as affective communicators. Meaning in Interaction provides an excellent introduction to this goal." BBC English

Users Review

From reader reviews:

Robin Castillo:

Within other case, little men and women like to read book Meaning in Interaction: An Introduction to Pragmatics (Learning about Language). You can choose the best book if you'd prefer reading a book. Providing we know about how is important some sort of book Meaning in Interaction: An Introduction to Pragmatics (Learning about Language). You can add know-how and of course you can around the world by the book. Absolutely right, simply because from book you can realize everything! From your country until finally foreign or abroad you may be known. About simple matter until wonderful thing it is possible to know that. In this era, you can open a book or maybe searching by internet product. It is called e-book. You should use it when you feel weary to go to the library. Let's examine.

Rene Moore:

Exactly why? Because this Meaning in Interaction: An Introduction to Pragmatics (Learning about Language) is an unordinary book that the inside of the publication waiting for you to snap it but latter it will surprise you with the secret the item inside. Reading this book alongside it was fantastic author who have write the book in such amazing way makes the content on the inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have such as help improving your skill and your critical thinking technique. So , still want to postpone having that book? If I were being you I will go to the e-book store hurriedly.

David Paras:

Many people spending their time by playing outside together with friends, fun activity having family or just watching TV the entire day. You can have new activity to enjoy your whole day by studying a book. Ugh, ya think reading a book will surely hard because you have to use the book everywhere? It ok you can have the e-book, taking everywhere you want in your Smart phone. Like Meaning in Interaction: An Introduction to Pragmatics (Learning about Language) which is having the e-book version. So , try out this book? Let's view.

Danny Padilla:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their interest. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Meaning in Interaction: An Introduction to Pragmatics (Learning about Language) can make you experience more interested to read.
