Muscle, Bones and Skin (Crash Course (Libraries Unlimited)) By Sian Knight

Crash Course! is a revision series for students on system based and integrated courses. Written by medical students for medical students under faculty supervision, the content focuses in on what medical students really need to know. An illustrated outline format in bite-sized chunks makes the content easy to absorb. Hints and Tips and Comprehension Check boxes are built-in features designed to make the series student-friendly. A practice exam at the end enables students to assess their level of understanding.
