Re-Visioning Family Therapy, Second Edition: Race, Culture, and Gender in Clinical Practice (Re-Visioning Family Therapy: Race, Culture, & Gender in) From Brand: The Guilford Press

Now in a significantly revised and expanded second edition, this groundbreaking work illuminates how racism, sexism, and other forms of oppression constrain the lives of diverse clients--and family therapy itself. Practitioners and students gain vital tools for reevaluating prevailing conceptions of family health and pathology; tapping into clients' cultural resources; and developing more inclusive theories and therapeutic practices. From leaders in the field, the second edition features many new chapters, case examples, and specific recommendations for culturally competent assessment, treatment, and clinical training. The section in which authors reflect on their own cultural and family legacies also has been significantly expanded.

Editorial Review

Review

"Reading this book was a truly invigorating experience. It captures the complex contexts of clients' and practitioners' lives, and puts forth suggestions for practice that are inclusive of all whom we serve. Resisting pathologizing explanations, the book provides a depth of knowledge for helping families draw on their strengths during difficult times. Chapters show how exclusion and marginalization contribute to the problems that families experience, and highlight clinical intervention approaches that are transformative. The second edition squarely confronts new forms of oppression arising in changing global contexts. This book will be most useful for graduate-level training in social work and other helping professions."--Sarah Maiter, MSW, PhD, School of Social Work, York University, Toronto, Canada

"This really is a terrific volume! The title aptly describes how McGoldrick, Hardy, and their contributing authors are 're-visioning' family therapy to reflect complex contemporary issues and approaches. This state-of-the-art work is a 'must have' for anyone who practices or teaches family therapy."--Beverly Greene, PhD, ABPP, Department of Psychology, St. John's University

"McGoldrick and Hardy lead a wise council of practitioners to construct a vision of family therapy that is culturally and socially grounded. Rather than portraying individual cultural groups, the text addresses nuanced processes in understanding and working with difference in ways that broaden traditional conceptualizations and practices. This text will make a wonderful contribution to graduate courses addressing family treatment in all mental health-related disciplines."--Steven R. Lopez, PhD, Department of Psychology, University of Southern California

"McGoldrick and her colleagues have again pushed the boundaries of family therapy with this splendid, updated second edition. Here is a vision of family therapy that embraces the lived complexity of diversity, addressing the intersections of race, ethnicity, class, gender, national origin, religion and spirituality, and sexual orientation. The expanded section on therapists' own cultural legacies and stories will stimulate self-reflection that is critical to developing cultural competence, while increased attention to training will aid students and teachers alike in grounding this vision in practice. I highly recommend this text."--Francis G. Lu, MD, Department of Psychiatry, University of California, San Francisco

About the Author

Monica McGoldrick, LCSW, PhD (h.c.), is Director of the Multicultural Family Institute in Highland Park, New Jersey, and Associate Professor of Clinical Psychiatry, University of Medicine and Dentistry of New Jersey-Robert Wood Johnson Medical School. Her videotape of clinical work with a multicultural family around issues of loss is one of the most widely respected in the field. Several of her books have become bestselling classics, including *Ethnicity and Family Therapy*; *The Expanded Family Life Cycle*; *Genograms: Assessment and Intervention*; *Women in Families*; *Living Beyond Loss: Death in the Family*; and *Re-Visioning Family Therapy*. She is also the author of a book for the general public, *You Can Go Home Again: Reconnecting with Your Family*. Ms. McGoldrick has received the American Family Therapy Academy's award for Distinguished Contribution to Family Therapy Theory and Practice. An internationally known

author, she speaks widely on culture, class, gender, the family life cycle, and other topics.

Kenneth V. Hardy, PhD, is Professor of Family Therapy at Drexel University in Philadelphia and Director of the Eikenberg Institute for Relationships in New York City. He is a former Professor of Family Therapy at Syracuse University, where he also served as the Director of Clinical Training and Research and Chairperson of the Department of Child and Family Studies. Dr. Hardy is also the former Director of the Center for Children, Families, and Trauma at the internationally renowned Ackerman Institute for the Family in New York City. He maintains a private practice in New York City, specializing in family therapy. His work has received considerable public acclaim in both the electronic and print media, with appearances on *The Oprah Winfrey Show*, *Dateline NBC*, ABC's *20/20*, and PBS.

Users Review

From reader reviews:

Richard Hennessy:

The book *Re-Visioning Family Therapy, Second Edition: Race, Culture, and Gender in Clinical Practice (Revisoning Family Therapy: Race, Culture, & Gender in)* can give more knowledge and information about everything you want. Why must we leave the best thing like a book *Re-Visioning Family Therapy, Second Edition: Race, Culture, and Gender in Clinical Practice (Revisoning Family Therapy: Race, Culture, & Gender in)*? Some of you have a different opinion about reserve. But one aim in which book can give many data for us. It is absolutely suitable. Right now, try to closer using your book. Knowledge or data that you take for that, you could give for each other; you can share all of these. Book *Re-Visioning Family Therapy, Second Edition: Race, Culture, and Gender in Clinical Practice (Revisoning Family Therapy: Race, Culture, & Gender in)* has simple shape but the truth is know: it has great and massive function for you. You can look the enormous world by open up and read a reserve. So it is very wonderful.

Peggy Witzel:

Nowadays reading books become more than want or need but also become a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The details you get based on what kind of publication you read, if you want attract knowledge just go with education and learning books but if you want truly feel happy read one together with theme for entertaining for instance comic or novel. Often the *Re-Visioning Family Therapy, Second Edition: Race, Culture, and Gender in Clinical Practice (Revisoning Family Therapy: Race, Culture, & Gender in)* is kind of e-book which is giving the reader capricious experience.

Amanda Furr:

A lot of people always spent their free time to vacation or even go to the outside with them family members or their friend. Are you aware? Many a lot of people spent that they free time just watching TV, or even

playing video games all day long. In order to try to find a new activity that is look different you can read some sort of book. It is really fun for you personally. If you enjoy the book that you read you can spent the entire day to reading a reserve. The book Re-Visioning Family Therapy, Second Edition: Race, Culture, and Gender in Clinical Practice (Revisioning Family Therapy: Race, Culture, & Gender in) it is extremely good to read. There are a lot of folks that recommended this book. These were enjoying reading this book. When you did not have enough space to create this book you can buy the e-book. You can m0ore very easily to read this book from the smart phone. The price is not too expensive but this book has high quality.

Michael Espy:

Exactly why? Because this Re-Visioning Family Therapy, Second Edition: Race, Culture, and Gender in Clinical Practice (Revisioning Family Therapy: Race, Culture, & Gender in) is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will zap you with the secret the item inside. Reading this book adjacent to it was fantastic author who also write the book in such incredible way makes the content inside of easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of advantages than the other book possess such as help improving your ability and your critical thinking way. So , still want to hold up having that book? If I ended up you I will go to the publication store hurriedly.
