Editorial Review

Amazon.com Review

The Bedford Glossary includes lengthy (and easy-to-follow) discussions of ideas including such biggies as cultural studies, deconstruction, feminist criticism, gender criticism, irony, Marxist criticism, the new historicism, poststructuralism, psychological criticism and psychoanalytic criticism, and reader-response criticism. More obscure terms--*anagnorisis*, *epithalamium*, *Menippean satire*, *kenning*--receive shorter but equally careful treatment. This is a clear and comprehensive reference for academics, intellectuals, and anyone else who wants to hold forth intelligently on subjects literary and critical. --*Jane Steinberg*

Users Review

From reader reviews:

Christina Love:

This The Bedford Glossary of Critical and Literary Terms book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is actually information inside this guide incredible fresh, you will get information which is getting deeper a person read a lot of information you will get.
