About the Author

Giovanni A. Orlando was born in Caracas, Venezuela in an Italian family. He entered Science Faculty at the UCV (Caracas, Venezuela) at the young age of sixteen completing the studies in Mathematics in 1986, at the age of 22. Then, the family moves to Italy when he lives, actually. He lives several weeks in NY in 1987 and in Los Angeles in 2002, and also two years in Caracas, its lovely natal city from 2006 to 2008. In Italy he got the Italian degree in Math from the Università degli Studi di Bologna, in December 1992. In Northern Italy, close to Venice he found a small company dedicated to UNIX and Linux training the day of his birthday, May 28th. He published a complete collection of Linux training material that was available in CD-ROM, in several countries like Italy, Spain, UK and US, titled FTLinuxCourse. He also released a complete UNIX-based Operating System, based on the Linux Kernel including +1,500 packages in March 2004, called "FTOSX". In September 2004, he resumed its efforts in a book called "The Art" (complete title is: "The Art of Building your Personal Operating System"), available at Amazon.com. From him returns to Venezuela, in 1997 and from 2006, he had established a strong connection with the Family of Light, from Saint Germain, to Jesus and Archangel Michael. This connection led him to read his Akashic records regarding his past lives and slowly reconnect with his essence, as well as discovering his covenant with The Family of Light. He comments his experiences in his books about Religions, like "The Book of Apocalypse explained ..." and "The Secret of the Andes" and others coming ... Actually he is working actively on a project called "FTHumanEvolutionCourse", that offers training in +100 disciplines ranging between Sciences, Arts, Religions, Languages, Medicine, Human Evolution, and Alchemy, organized in Twelve Subjects.
