The O'reilly Factor for Kids By Bill O'reilly with Charles Flowers

The bestselling author of *The O'Reilly Factor*, *The No Spin Zone*, and *Who's Looking Out for You?* talks straight to kids this time. He is as demanding, direct, and wry as ever—but he's also more revealing too, sharing candid snapshots of his own childhood throughout. Bill O'Reilly, a former schoolteacher, now an award-winning broadcast news journalist, husband, and father of two, joins forces with an experienced educator to bring you, America's youth, a code of ethics by which to live. In this latest book, Bill takes to task bullies, cheaters, advertisers who target you irresponsibly, and parents who fight for their children to win undeserved honors instead of earning them on their own merit. He lays bare the unvarnished truths about sex, money, smoking, drugs, alcohol, and friends. What he has to say about these issues may very well surprise you. He offers coping devices for those enduring a divorce, struggling with teacher, parent, or sibling relationships, and planning their futures. He also shares wisdom on such subjects as death, politics, and God. Whether you take the tests he's provided, take the advice he doles out, or just take a cue from the personal stories he shares, you're bound to make smarter choices in your life, and that's all Bill asks for.
